

EMERGING LEADERS

LEARN, CONNECT, SERVE, & SHARE IN YOUR COMMUNITY

Young professionals are invited to join Sioux Empire United Way's newest leadership group – Emerging Leaders. The purpose of Emerging Leaders is four parts:

Learn - about the needs of the Sioux Empire and the impact of Sioux Empire United Way funded agencies through site visits and in-depth discussions.

Connect - with other young professionals in the Sioux Empire.

Serve - your community and get involved through volunteerism.

Share - your experiences with friends and colleagues in the Sioux Empire to help further the mission of Sioux Empire United Way and service in your community.

Members of Emerging Leaders will have the opportunity to participate in a rotating schedule of Learning/Connecting events and Serve/Share events throughout the calendar year.
