**CHANGE**  
*a story*

**WHEN WE STAND UNITED & WORK TOGETHER, WE HAVE THE ABILITY TO CHANGE SOMEONE'S STORY FOR THE BETTER.**

**How are you actually changing a story when you give to Sioux Empire United Way?**

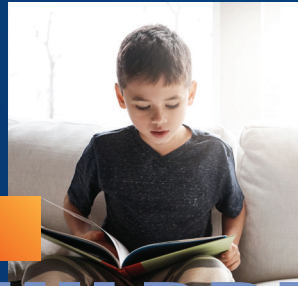

Your gift makes it possible for underprivileged kids *to go to preschool.*

Your gift provides *hope & support* for older adults.

Your gift creates *opportunities & second chances* for people in crisis with nowhere else to go.

Your donation has the power to *change a life*, right here in the Sioux Empire.

You have the power to change someone's story.

## CHILDREN *in need*

Free books, after school programs and mental health therapy are just a few ways children of all ages in our community benefit from your gift to Sioux Empire United Way.

“We are so truly blessed to have received the preschool scholarship through the Hope Coalition. This year has been rough and having the support of the preschool has been amazing. They truly enjoy having our son in the class and since attending, his speech and social skills have improved so much! Thank you so much for making it possible for my son to attend preschool.” — Hope Coalition Family, Sioux Falls

## VULNERABLE *adults*

Your gift to United Way helps our aging population live independently in their own homes by providing meals, transportation, assistance with household chores and companionship.

“My dad has been able to stay home the last two years because of the Day Break team. This program has also provided a much needed respite for my mom who has experienced caregiver burnout. To see my parents thrive and to have this team during this journey in our lives is beyond anything I could describe.” — Teresa, Sioux Falls

## PEOPLE *in crisis*

From providing transitional housing for homeless families to giving individuals access to mental health care, your gift can help people when they need it most.

“I can’t even imagine where I would be without the help of the Heartland House Program. They helped me find furniture and other stuff that I needed for the apartment. They helped me feel whole and important and I don’t think I have ever felt like that. I even know how to manage my money! More importantly, my kids are healthy and in a good spot right now.” — Jada, Sioux Falls
