What a year!

Did you join us at the Thank You event on February 12th?
We celebrated with over 300 volunteers and community leaders for our 24th consecutive successful campaign!
Because of this, 86 programs will be fully funded in 2019.
1 in 3 people benefit from United Way and YOU are one of them!
Your volunteer efforts do not go unnoticed by these 39 funded agencies and by giving your time YOU are seeing YOUR dollars at work!

Our Steering Committee is busy planning for the year and are always looking for feedback to make your Emerging Leaders experience more impactful and fulfilling.
A survey was recently sent out and if you haven't taken it yet, I encourage you to go on. It is only ten questions!

We are always looking for ways to engage our members and love to have your feedback.

If there is something you want to learn more about or an activity to do with one of our Funded Agencies please reach out to Annie at 605-336-2095 or annie@seuw.org.

"Emerging Leaders has been the perfect fit for me. This group has provided me with unique volunteer opportunities and a chance to network with young professionals in a more natural and enjoyable way. It's also been great to see the work of United Way firsthand. I feel more inclined to give now that I've seen the impact the organization has had on the community."
