2017 Year in Review

Emerging Leaders kicked off the new year at Monks House of Ale Repute with a learn and connect event with Volunteers of America, Bowden Youth Center. This was a great way to bring in potential new members and for all members to learn a little more about Sioux Empire United Way's funded agency and program.

In March, members had the opportunity to attend Harmony SD's spring concert rehearsal. If you haven't had the chance to attend one put it on your 2018 list of things to do in Sioux Falls and beware of standing room only! Harmony SD was a newly funded program for SEUW in 2017.

In late spring SEUW had a few changes, promoting Olivia Essig to Campaign Director and welcomed Annie Miller as Campaign and Marketing Associate and Emerging Leaders' Manager.

We kicked off the fall with a volunteer group of 20 with Feeding South Dakota's Backpack Program and look forward to adding this to the calendar every fall.

As the calendar year wraps up our Steering Committee is busy prepping for our Second Annual Celebration and look forward to kicking off the new year with many fun events. *We are always looking for ways to engage our members and love to have your feedback.*

If there is something you want to learn more about or an activity to do with one of our Funded Agencies please reach out to Annie at 605-336-2095 or annie@seuw.org.

"Emerging Leaders makes it easy for me to get to know others who value giving back to their community.

The group puts like-minded people in a room and gives them a purpose. I always leave feeling inspired..."
